

Essay of Place

Write a descriptive essay about a place that has had some special meaning in your life—a place that is still a part of you. Provide specific physical details about the place, and explain how this place helped form you into the person you are today.

As you get started, take a few minutes to think about how you want to order your essay:

- What do you want to summarize?
- What do you want to dramatize?
- Will you use chronological order or flashback?

Footnote the quotation of place that you've chosen from the novel that shows the importance of place (the setting) in the novel

Publish your essay of place on the class blog.
